

# University of Regina Interuniversity Athletic Program

## **Head Coach – Men’s and Women’s Track & Field and Cross Country**

The University of Regina invites applications for the position of Head Coach of the Cougar Men’s and Women’s Track & Field and Cross Country programs. The Head Coach is responsible for all duties normally associated with the delivery and coordination of a successful Canada West and Canadian Interuniversity Sport (CIS) program including but not restricted to:

- effective leadership in all technical, tactical, physical and psychological aspects of preparation of the team to be competitive in Canada West and CIS.
- coordination and recruitment of assistant coaching staff.
- recruitment and retention of student athletes in compliance with University of Regina, CIS and Canada West rules and regulations.
- program administration including scheduling, budget management and other program management responsibilities as required.
- fundraising and other initiatives to support a competitive program in Canada West and CIS.

### **Qualifications**

- Minimum Bachelor’s Degree and Level III NCCP required
- Significant track and field coaching experience at a university or other elite level.
- Evidence of strong communication, organizational, management and computer skills.
- Ability and willingness to work flexible hours including evenings and weekends.

### **Appointment**

- Full time. Salary and start date to be negotiated.

### **Application**

Letter of application and resume should be sent to:

Dick White  
Director of Athletics  
University of Regina  
Regina, SK S4S 0A2  
Email: dick.white@uregina.ca

Applications will be accepted until February 19, 2010. Candidates will only be contacted if selected for an interview.
